

1st March 2024

Family/Teacher/Learner Reviews

Dear Families,

At Milton, and in accordance with the Welsh Government Progression and Assessment Guidance, we strive to ensure that we are communicating the progress and achievements of our children in a variety of ways throughout the year. We sent out a digital communication sheet before Christmas and it is now the time for our learner reviews.

We firmly believe that the learner should also be part of this communication, so we are offering the opportunity for families, learners and their teachers to come together to discuss their learning in **either an after school appointment or during the day via Teams** (family to join on Teams, learner and teacher will join from school).

Each classteacher will have a day allocated where they can dedicate themselves to conducting the learner reviews. There will be **20 remote slots available**, dates for this will be shared shortly via a text link. For those who would prefer a face to face consultation (the learner will also need to attend) we have allocated **15 after school slots on Tuesday 12th March**.

Please make every effort to attend **one** of these days.

We have adapted our systems so that you can now select a time that suits you and your family. Slots can be booked online via a link which will be sent out shortly via a teachers to parents text message link. Please choose **either** a face to face or a TEAMS slot.

We look forward to meeting with you to discuss your child's learning journey.

Yours sincerely,

Mrs Burke
